

Fairmont Catholic Cemetery

The Fairmont Catholic Cemetery is located in the northwest quarter of section 29 in Fairmont Township, Fillmore County, Nebraska. It can be found on the south side of county road E, approximately 1/2 mile east of the intersection of county roads E and 14.

One origin of the Cemetery states that the plot for this cemetery was donated by Timothy Fitzpatrick and was platted by John D. Jenkins in 1876-1877.

In the Nebraska Signal May 15, 1884 it states that the Catholic Church has purchased land for a cemetery one half mile east of town on the north side of the railroad, and surveyor Badger is platting out.

In the Nebraska Signal on May 22, 1884 the following notice appeared. To all whom it may concern; Notice is hereby given that there will be a meeting at the St. James Roman Catholic Church on the 13th day of June, 1884, at 3 o'clock p.m., for the purpose of organizing a cemetery corporation.
